Re: Strobridge v. City of Elmira, et al.
Civil Docket Number: 1:20-cv-01125-WMS-JJM

Dear Judge McCarthy:

Our office represents Third-Party Defendants, PA Wolfenden and Delphi Healthcare, PLLC in the above-captioned matter. Given the complexity of the case and that the primary case started in August 2020, we are several months behind the parties in Discovery Demands. Our office will get up to speed as quickly as possible. However, it will take time to serve Discovery Demands, receive Responses and in addition, to retain experts. I have worked with Mr. Schlather in the past and presently have a malpractice case with him, as well. Accordingly, I would request a reasonable amount of time to evaluate and obtain discovery in this matter. I look forward to participating in the virtual Scheduling Conference which the Court has currently scheduled for November 1, 2022, at 10:00 AM to set a Case Management Order with the parties.
